Let's conference to have a pre-call with DEP key staff regarding an up and coming call with State Senator Daylin Leach's staffer and the Delaware Riverkeeper Network. The following article highlights the overall issues which the state senator's office and the Riverkeeper most likely will "bring up".

Note:

My apologies for any inconvenience regarding scheduling. April dates are filling up fast. Monday was the only day I could squeeze in this pre-call. Thank you to all who can avail themselves for the call.
